## SEASONAL DESIGNS

Recommended seasonal colour schemes:

Advent: Purple and white including hellebore

Christmas and Epiphany: Gold and white  
including poinsettia

Ordinary Time: White including gladioli

Lent: Purple and blue including delphiniums

Holy Week/Pentecost: Red and blush including  
hollyhocks

Easter: Yellow spring including narcissi

We offer designs for a minimum of 5 seasons.

## FLORAL NOTES

Prices are per display per liturgy season unless  
quoted as a package option. Packages can  
be altered to suit your needs.

It is recommended that Ordinary Time displays  
are stored by the church when not in use, to  
facilitate easy change over between the other  
seasons. Where large displays are hired e.g.  
urns, we will pop in to change your designs.

Where vessels are required (urn vases/ urns/  
plinths), the cost of the vessel is covered in  
the first design (it is essentially bought by and  
owned by the church), and thereafter the cost  
is only for new floral designs. Seasonal hire  
costs options are also available.

Have some favourite flowers in mind for a  
particular church season? Let us know and we  
will try to include them.

It is also possible to create bespoke designs  
that suit your Church architecture.
